

Kritter Krazy- Reptile and Exotic Rescue  
Adoption Application

Please fill out the information below in order to be considered as an adoptive home. Animals are not adopted out on first come, first serve basis and filling out the application is not a guarantee adoption. Forever homes are approved based on Kritter Krazy discretion, capability to meet the animal's needs, provide care for and the overall best fit for the animal in question.

Name: Address: City, State, Zip: Phone Number: Email Address: Employment: Are you at least 18 years old?
--

If not, we will need permission from a parent/  
guardian AND they must be present at time of  
adoption to agree to and sign the adoption

contract. Do you live in a house or apartment? Own or Rent?
---

If you rent, permission from your landlord must  
be provided. IF IT IS NOT, YOUR APP WILL NOT BE PROCESSED.

You can either just provide their contact  
information or provide written permission on  
your rental company's letterhead with contact  
info:

Species interested in:
------------------------

Is there a specific animal (name) you are interested in?

What experience do you have with the species you are interested in adopting if any? If none, it's okay, we are willing to teach people who are willing to learn.
---

If any, what pets are currently in the home?

\*\*If you are applying for a cat/kitten- all cats in the home must be fixed. We will need verification records or your vets contact information to verify.

Are you willing to set up an enclosure suited to meet the animal's needs before the adoption would take place?

Please describe the enclosure you have or are willing to set up.

Size:

What are the heat requirements for the species in question:

Heat source:

What are the required humidity requirements for the species in question:

Thermostat brand:

If required, UVB light set up:

Do you have a timer?

Do you understand and are you willing to provide the care the animals needs for the remainder of his or her life?

What is the species in questions typical life span?

Have you researched diet, vitamin/supplements and physical care requirements?

Is everyone in the home in support of adding a new member to the family?

If you have one, what Vet do you currently use?

Are you financially capable of and willing to provide medical care for the animal if it were to require?

- Adoption process: Once the application has been submitted and approved, the adopter will then be asked to prepare a proper enclosure for the animal (when appropriate) and submit pictures and details for approval.
- Once approved, a time will be set up for the adoption. At this time, we will verify photo identification with address matching that on the adoption and adoption fee must be paid via cash, check, cash app, venmo.

The first week is considered a trial period. During this trial period, if the animal proves not to be a fit, it can be returned for a 50 percent refund of the adoption fee. After the trial period, if the adopter cannot keep the animal it MUST be returned to Kritter Krazy and the adoption fee will be considered a donation toward the rescue's expenses.

By signing below, you state that you have provided the above information as honestly as you are aware, knowingly providing false information will result in being blacklisted from adopting from Kritter Krazy.

Also, that you understand and agree with the process and terms stated above regarding the adoption process.
